Dear Parishioners,

Holy Family Parish-‘200 Club’ Prize Draw

I write at this time on behalf of the Holy Family Parish- Milestone Projects which is the name of the new fundraising committee. Our aim over a period of time is to raise funds through various incentives, with as many as possible including fun activities. The first of these will be the introduction of Holy Family Parish- ‘200 Club’ during February.

For those who may not be familiar it is a form of lottery and a really enjoyable method of fund-raising, whereby **parishioners** (over 18) purchase shares for the entire year. Each share is given an individual number that remains constant throughout the year. A prize draws will take place three times over 12 months with half the total funds raised being given back to the owners of the winning numbers. The other half of the funds is retained by Holy Family Parish and will be used towards the cost of the roof repair and going toward the car park, or other projects to maintain the fabric of our church.

The yearly cost of the subscription to Holy Family Parish-200 Club is at £15 per share and multiple shares ownership is encouraged; remember the more shares you buy the better chance of winning!

I enclose Holy Family Parish-200 Club application form, please complete and return this form with a cheque for £15 (or multiples of that amounts) made to **Holy Family Parish- 200 Club** for each share purchased, or alternatively complete and return the enclosed standing order form. The completed form(s) and cheques should be returned to the Holy Family Church at the above address as soon as conveniently possible in order to assist the administrative process involved.

I thank you on behalf of the Holy Family Parish- Milestone Projects committee, in anticipation of your continued support.

Yours faithful

Linda Doucet
